

SOME IMPORTANT RULES:

1. Each group will be given a budget of only \$10 000.
2. Your group cheque book must be kept up to date or a \$25.00 fine will be charged.
3. Insurance can only be purchased for the first 30 minutes of the project work time, on the first day.
4. No items can be returned unless Insurance was purchased.
5. Return fees apply. See store price list for more details.
6. You're machine must work independently and can only be touched once to start your machine.
7. Consult fee of \$15.00 will be charged for each question you ask Mrs. Cossette (or other adults present in the classroom).
8. Researching additional information at home is acceptable. However using the computers or an ipad to research during classtime will cost \$150.00 per 15 minutes.
9. Materials brought from home to use on your own project will be subject to a \$50.00 import tax.
10. Materials brought to donate to the classroom supplies will be bought buy the supply store. See store price list for more details.
11. You will be expected to do a Self and Peer evaluation at the end of your project.
12. Your project must be contained within your board and the floor space assigned. You may not use surrounding cupboards or walls to support the function of your machine.
13. A daily log must be completed each day and approved by Mrs. Cossette before you may begin building the following day.
14. Have fun and be a good partner or group member.
