

Dear Parents,

As we have been discussing in class different objects that could be brought in for building our own Rude Goldberg inventions the students have created a list of supply ideas. The goal of this project is to use extra supplies found around the home and not to be an extra expense to parents.

Our Supplies ideas:

- Coffee can
- Egg Carton
- Toilet Paper Roll
- Paper Towel Rolls
- Wrapping Paper Roll
- Clear Plastic Containers – ex. Strawberry containers
- Plastic Containers- yogurt
- Dominos
- Cardboard
- Small Metal/Plastic Cups
- Pie Plates
- Screws
- Popsicle Sticks
- Wheel
- Cork
- Milk Carton
- Pulley
- PVC Plastic Pipe (black)
- Golf Balls
- Skewers (wooden)
- Clay
- Wood Pieces
- Pencil
- Bobbin
- CD case
- Foam Sheet
- Styrofoam
- Golf Ball
- Ping Pong Ball
- Elastics
- Paper
- Straws
- Bowls/small pie place
- Bolts
- Nuts
- Masking Tape
- Packing Tape
- Glue Gun Rental
- String
- Yarn
- Toy Car
- Marbles
- Balloons

Our class needs to build a bank of supplies for our classroom supply store called R. G. Supplies.

Any supplies that have been brought to the R. G. Supplies before Thursday, April 3rd will be donations to the store. After this date, supplies that are brought in will be credited to the student's group budget. Students may wish to bring materials from home to use specifically on their own project will be subject to a \$50.00 import tax per item. These items are only allowed to be brought in after Monday, April 7th.

** Please do not donate supplies that have special meaning or that you would like them to be returned as this is not possible. **

For more information about the project please visit my personal website:
